FLOOD DAMAGE DATA COLLECTION

What is damage data collection?

Our dedicated crews have visited your neighborhood to assess the impact of the recent flooding. Their mission is to evaluate damage and gather critical information to ensure the swift and effective deployment of recovery and repair efforts. Your address has been recorded while you were not home.

Information Being Collected:

- ✓ Property Damage
- ✓ Damage to Homes
- ✓ Damage to Public Spaces

 Call 262-250-4700 with questions

For assistance with sheltering, debris removal, transportation, mental health support, or medical needs, please call 211 to connect with the necessary support services.
