

VILLAGE OF GERMANTOWN

For your convenience the Village Public Works Department schedules one (1) annual *brush pick-up* beginning in early June. This process will take approximately 2 - 3 weeks to complete, we will not be extending the pick-up, or picking up brush that is put out after the first Monday of the pickup schedule.

Limbs shall be no more than 6 foot in length and placed at the curb with the trunk facing the street for easier handling. Please tie branches 2" or smaller into bundles no larger than 2 feet in diameter using twine or light rope. Your cooperation with this will greatly increase the efficiency at which we can pick up the brush. ***Brush in containers WILL NOT*** be picked up as too often there is yard waste in the bottom of the container. Yard waste and leaves are not included in the pick-up. We encourage you to take your yard waste to the Residential Yard Waste Facility.

Please be aware that raking leaves into the street area is against Village Ordinance and the Village of Germantown WILL NOT pick up such leaves. Again, we encourage you to take your leaves to the Residential Yard Waste Facility.
